3. Eligibility

- **Minimum Age & Capacity:** You must meet the legal age of digital consent in your jurisdiction to register an account, or use the platform under the direct supervision and authorization of a parent or legal guardian.
- **Authority to Contract:** You represent and warrant that you possess full legal authority to enter into these Terms.
- **Accurate Identity:** You agree to provide true, accurate, current, and complete personal details during registration and keep your profile updated.
- **Community Authorization:** Access to specific community workspaces, villa units, or administrative features requires approval and verification by authorized Community Administrators.

4. Account Registration & Security

Nahom provides multi-factor authentication through phone numbers, email addresses, One-Time Password (OTP) verification, and Single Sign-On (SSO) integrations including Google OAuth and Microsoft Entra SSO.

- **Verification Codes:** You consent to receive transactional SMS, email, or push verification codes (OTPs) necessary to authenticate your identity.
- **Credential Safeguarding:** You are strictly responsible for maintaining the confidentiality of your device, OTP credentials, and passwords.
- **Account Responsibility:** You are fully responsible for all actions, pass generations, messages, payments, and approvals performed under your account.
- **Reporting Unauthorized Access:** Notify us immediately at mohanraj@atominosconsulting.com if security compromise is suspected.

5. User Roles and Permissions

Nahom enforces a multi-tenant Role-Based Access Control (RBAC) architecture. Features and data visibility available to you are strictly limited according to your assigned role:

- **Residents (Owners & Tenants):** Can generate visitor passes, view community notices, submit maintenance complaints, reserve amenities, view invoices, pay dues, and manage household members.
- **Community Administrators:** Configure community settings, assign user roles, verify unit/villa occupants, issue community notices, set up billing items, and review audit logs.
- **Security Personnel / Gate Guards:** Scan digital QR passes, record walk-in visitors, verify expected guest details, log vehicle details, and process entry/exit workflows.
- **Facility Staff & Technicians:** Manage service requests, update maintenance ticket status, process offline payment verifications, and manage amenity availability.

6. Services Provided by Nahom

Nahom is a technology workflow platform facilitating community administration, including: resident management, visitor access control, maintenance billing, complaints/service requests, facility/amenity bookings, digital noticeboards, community polls, and real-time alerts (push notifications via FCM, SMS, email).

7. Community Administrator Responsibilities

Authorized Community Administrators act on behalf of their residential organization and are responsible for managing user memberships, verifying resident claims, assigning user roles, setting maintenance charge rules, verifying offline payments, and ensuring compliance with community bylaws.

8. Visitor Management & Access Rules

Nahom enables residents and security personnel to manage visitor entry clearances:

- **Pass Creation:** Residents creating visitor passes must provide accurate visitor details (name, vehicle number, arrival time, visitor type).
- **Gate Verification:** Security personnel verify digital passes via QR scanning or entry codes at checkpoints.
- **Resident Responsibility:** Residents are fully responsible for the conduct and compliance of guests and service personnel invited under their passes.

Physical Access Disclaimer: Nahom provides digitized access control software but **does NOT provide physical security services, bodyguards, or guarantees of physical admission or safety**. Physical entry decisions remain subject to community association rules, local laws, and real-world security guards on duty.

9. Maintenance, Billing and Invoices

Nahom provides automated recordkeeping for community maintenance charges, dues, invoices, and payment histories:

- **Charge Determination:** Maintenance fees and assessments are established solely by your Community Administrator or organization management.
- **Recordkeeping Accuracy:** Nahom acts as a digital ledger system displaying invoice balances and payment records.
- **Billing Disputes:** Disputes regarding maintenance calculations must be resolved directly with your Community Administrator.

10. Online Payments

Where online payment processing is enabled for a community:

- **Third-Party Processors:** Online transactions are routed through independent, licensed third-party payment gateway providers. **Atomino Consulting Private Limited is NOT a bank, payment gateway, wallet provider, or financial institution** and does not hold user funds.
- **Payment Provider Terms:** Online payments are subject to third-party payment gateway terms.
- **Refunds & Cancellations:** Refunds are governed strictly by community association policy and payment gateway rules.

11. Offline Payments

Nahom supports tracking for offline payment methods such as direct bank transfers, cash, cheques, or demand drafts:

- **Submission vs. Verification:** Entering offline payment details into Nahom records a pending submission. **It does not automatically constitute proof of payment** until manually verified by authorized Community Administrators or accounting personnel.

12. Community Directory

Directory contact information is displayed based on user role, community configuration, and individual privacy preferences. Scraping, harvesting, or commercial marketing use of directory data is strictly prohibited.

13. User Content & Communications

Users retain ownership of submitted content (notices, status pulses, complaints) but guarantee it is lawful, non-defamatory, and appropriate. Authorized Community Administrators and the Company reserve content moderation and removal rights.

14. Messaging and Notifications

Alerts may be delivered via Push Notifications (FCM), SMS, Email, or In-App banners for visitor arrivals, payment reminders, and administrative notices. Sending spam or deceptive messages is strictly prohibited.

15. Third-Party Services

Nahom relies on licensed third-party service providers for infrastructure support, including payment gateways, SMS delivery, email services, cloud storage, map APIs, and authentication services (Google OAuth, Microsoft Entra SSO). Third-party terms apply.

16. User Responsibilities

- Comply with all applicable laws and community bylaws.
- Maintain current and accurate profile information.
- Protect account credentials and device security.
- Use payment features honestly and respect neighbor privacy.

17. Prohibited Activities

Users strictly agree NOT to attempt unauthorized system access, bypass multi-tenant boundaries, reverse engineer software, upload malware, use scrapers or bots, impersonate others, forge visitor passes, or send spam.

18. Intellectual Property Rights

The Nahom application name, logos, software code, UI design, database structures, documentation, and ManageMyGate web portal are the exclusive intellectual property of **Atominos Consulting Private Limited**.

19. Privacy & Data Protection

The collection, use, storage, sharing, and protection of personal information are governed by the **Nahom Privacy Policy** accessible at <https://managemygate.e3esg.com/privacy-policy>.

20. Account Suspension and Termination

We reserve the right to suspend or terminate account access for Terms violations, fraudulent activity, or membership revocation by Community Administrators.

21. Self-Service Account Deletion

Authenticated users can navigate to *Settings* → *Account* → *Delete Account* inside Nahom (or via ``DELETE /api/users/me``). Unauthenticated requests can be submitted via <https://managemygate.e3esg.com/delete-account>. Profile data is removed while anonymized accounting and audit logs are retained as detailed in the Privacy Policy.

22. Service Availability & Downtime

Nahom is provided on an "as available" basis without guarantees of uninterrupted operation. Maintenance downtime or network disruptions may occur.

23. Security Disclaimer

Nahom provides administrative technology software. **Nahom does NOT guarantee the physical safety of residents or property**. Physical security depends on community policies, security guards on duty, physical gates, and real-world factors.

24. Disclaimer of Warranties

TO THE FULLEST EXTENT PERMISSIBLE UNDER APPLICABLE LAW, THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE" WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED.

25. Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW, ATOMINOS CONSULTING PRIVATE LIMITED SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES ARISING FROM PLATFORM USE.

26. Indemnification

You agree to defend, indemnify, and hold harmless Atominos Consulting Private Limited from any claims, liabilities, or losses arising from your violation of these Terms or illegal activity.

27. Changes to Terms

We reserve the right to update these Terms at any time. Continued use of the platform after updates constitutes legal acceptance of modified Terms.

28. Governing Law & Contact Information

These Terms shall be governed by and interpreted in accordance with applicable laws as designated by Atominos Consulting Private Limited. Disputes shall be instituted in competent courts having jurisdiction.
